Graphic Designer

Hi, I am Sophie, I am an interdisciplinary artist and graphic designer based in Washington, DC. As a tactile and visual person, I love bringing ideas to life through graphic design. I often combine physical and digital elements in my work and I am most inspired by the textures and patterns that I see in nature.

To stay updated on my latest work, visit my website at sophielaufer.com.
For inquiries, feel free to reach out at sophieslaufer@gmail.com.
